Nanjing Institute of Astronomical Optics & Technology
National Astronomical Observatories,
Chinese Academy of Sciences,
Bancang Street 188,Xuanwu District
Nanjing 210042, China

## Dear Prof. Yongtian

In the frame of cooperation between the National Institute of Astronomy and Geophysics (NRIAG) and the National Astronomical Observatories, Chinese Academy of Sciences it is our pleasure to invite you to visit our Institute in Helwan/Cairo from 10 to 20 of December 2016 to discuss the possibility of participation of the Chinese institutions in manufacturing and constructing a new Egyptian large optical telescope. We will cover the costs of a good Hotel with breakfast and avail internal transportation during your stay in Cairo, best regards.

Best Wishes

Yours Sincerely Hatem Odah

President

National Research Institute
