Dear Dr. Shihai Yang,

On behalf of SPIE, The International Society for Optics and Photonics, it is my pleasure to welcome your attendance at the SPIE Astronomical Telescopes + Instrumentation Symposium, to be held 10-15 June 2018 in Austin, Texas, United States.

We are pleased to include your technical paper for participation in the conference on Ground-based and Airborne Telescopes VII. Your paper "Design of semi-physical fault simulation platform for Antarctic telescopes", SPIE Paper Number 10700-71 is scheduled for poster presentation on 10 June, 2018.

The Advance Program for this symposium, which includes a full listing of technical presentations, conference registration, and hotel and travel information, is posted on the SPIE Web at <http://spie.org/conferences-and-exhibitions/astronomical-telescopes-and-instrumentation>.

SPIE does not assume any financial responsibility for attendees of this symposium.

We look forward to your participation. If you have any questions, please do not hesitate to contact me.

I am looking forward to seeing you at the SPIE symposium in Austin, Texas in June.

Best Regards,

Annie Gerstl,
Conference Program Coordinator
