

**1 February 2019**

To Whom it May Concern,

**Professor Xiangqun Cui (Passport Number: PE0977423, Date of Birth: 25 December 1951) from the National Institute of Astronomical Optics & Technology** has registered and is invited to participate in the Fifth Australia-China Workshop on Astrophysics being hosted by Astronomy Australia Ltd. (AAL).

The workshop will be held from 2-4 April 2019 at the RACV Healesville Country Club, near Melbourne. The details of the workshop can be found at: <https://acamar.org.au/events/acamar5>

AAL looks forward to welcoming Professor Cui and I am sure his contribution to the workshop will be valued by the local and international delegates who will be attending.

If you require any further details about the event, please do not hesitate to contact the local co-ordinator, Dr Robert Shen via email, [robert.shen@astronomyaustralia.org.au](mailto:robert.shen@astronomyaustralia.org.au) or telephone, +61 3 9214 5520.

Yours faithfully,

Mark McAuley  
Chief Executive Officer, Astronomy Australia Ltd.
