

UNIVERSIDAD COMPLUTENSE  
MADRID

Madrid, February 16<sup>th</sup>, 2023

To whom it might concern:

This letter is to invite Dr. Huiqi Ye from the Nanjing Institute of Astronomical Optics and Technology (Chinese Academy of Sciences) to visit the Laboratorio de Instrumentación Astronómica Avanzada (LICA), one of the Units of the CAI de Técnicas Físicas of the Universidad Complutense de Madrid. This visit is in the context of the instrumentation development activities that our respective groups are carrying out in the context of cryogenics for scientific applications in the field astronomical instrumentation.

The invitation is for the period between 28 March 2023 to 5 April 2023, both included.

Best regards,

Dr. Armando Gil de Paz  
Director of the Laboratorio de Instrumentación Científica Avanzada (LICA)  
CAI de Técnicas Físicas  
Facultad de Ciencias Físicas, Plaza de Ciencias, 1, Madrid, E-28040, Spain
