La Palma, 23 august 2023

To whom it may concern:

Dear Sir/Madam,

I, the undersigned, Dr. Romano Luigi Maria Corradi, acting as Director of the Gran Telescopio de Canarias S.A., invite Prof. Kai Zhang, from Nanjing Institute of Astronomical Optics and Technology (NIAOT), Chinese Academy of Sciences (CAS), to visit our installations in La Palma and Tenerife, Canary Islands, Spain, from September 15th to October 31st, 2023, within our ongoing scientific and technical collaboration for the development of scientific instrumentation for the GTC telescope, in the framework of the Agreement signed on 5 September 2016 between Gran Telescopio Canarias S.A. and the National Astronomical Observatories of China of the Chinese Academy of Sciences. The goal of the visit is to progress in the development of CHORUS, the High-Resolution Spectrograph that NIAOT and the National Astronomical Observatories of China (NAOC) are designing for the GTC.

It is agreed that NIAOT will provide the funding to cover his visiting expense, including international and domestic travel fee, the emergency medical insurance, the accommodation and life expense in Spain.

This letter is meant to support the visa application of Prof. Kai Zhang.

Yours sincerely,

Romano Luigi Maria Corradi
